c/o Tatum Ridge Golf Links  
421 Tatum Road N  
Sarasota, FL 34240

Dear John,

On behalf of the Adaptive Golf Association (501c3, EIN#: 58-2617166), I would like to acknowledge and thank you, the Board, and the Tatum Ridge Men’s Golf Association for your generous 2019 year-to-date donations totaling \$744.00 for our adaptive golf program.

We plan to put the donations to good use helping our disabled golfers here in Sarasota and maintaining our specialized equipment.

Our weekly disabled golf program is now entering our third decade here in Sarasota, so on behalf of the Adaptive Golf Association program here at Tatum Ridge, as well as our affiliated programs in Bradenton, Tampa, Port Charlotte, and other venues across the county, your league’s donations are greatly appreciated.

Adaptive golf is growing throughout the country due to the inherently positive values it promotes and as a leading recreational therapy for both veterans and individuals with disabilities and/or mobility challenges.

Thank you again for your generous donations in 2019 and look forward to your continued support in 2020.

Sincerely,

Allen Steiger
