

Darryl Gorecki is the 2021 Match Play Tournament Champion

If a one or two-day tournament is a sprint, the Match Play Tournament is a marathon. One has to be “on form” to survive and prevail over five straight days of one-on-one competition. At the end of this year’s tournament, Darryl Gorecki emerged victorious, defeating Larry Knutson in the final match 1-up. The winning match took 19 holes to complete.

Darryl, who won the tournament in 2017, joins Colin Ewing as the only two-time winners of the tournament.

Darryl cut his swath through the field of 31 golfers with two close calls, 2-up in Round 2 and 1-up in Round 5, and three one-sided matches 4 & 2, 7 & 5, and 6 & 5 in Rounds 1, 3 and 4.

In the consolation match, Ralph Milykovic defeated Bill Sherrod 6 & 4 to finish in third and fourth place respectively.

Special thanks to Colin for organizing and running the tournament.

The next TRMGA tournament is the two-day Club Championship on March 10 and 12.
